

HOTEL
DELOIX

The image shows the exterior of a modern building, identified as Hotel DeLoix. The building has a light-colored, possibly white or light grey, facade. A prominent feature is a large, blue, three-dimensional sign that reads "HOTEL DELOIX" in all caps, with four blue stars below it. The sign is mounted on a white rectangular section of the building. To the right of the sign, there are several windows with dark frames. In the foreground, there are several white, rectangular planters or ledges, each containing a large, dark green, bushy plant that hangs over the edge. The sky is a pale, overcast grey, suggesting a cloudy day. The overall lighting is somewhat dim, possibly due to the overcast sky or the time of day being dusk or dawn.
