IMPERIAL HOUSE

The image shows the exterior of a brick building with a prominent sign. The sign is white with black text and is mounted on a dark horizontal band. Above the sign is a large, multi-paned skylight with a dark frame. The building's facade is made of reddish-brown bricks. A row of windows is visible above the skylight, and another row of windows is to the right. Some tree branches with yellowing leaves are visible in the upper right corner.

CHURCH

A photograph of a Sainsbury's store building. The focus is on the gable end of the roof, which is covered in dark grey tiles. The word "Sainsbury's" is written in large, bold, red, sans-serif letters across the front of the gable. To the left, a portion of a brick wall is visible. The sky above is filled with heavy, grey clouds, suggesting an overcast day. A dark metal railing or fence is visible in the foreground, partially obscuring the bottom of the sign.

WATER

Water is essential for life. It is the most abundant natural resource on Earth. However, it is also a finite resource. We must use it wisely and conserve it. This means turning off the tap when brushing your teeth, taking shorter showers, and fixing leaks. Every drop counts.

CONSERVATION AND PROTECTION

Conserving water helps protect our environment and ensures that we have enough water for future generations. Please do your part by conserving water every day.

TOADS ARE IN TROUBLE!

Toads are important to the ecosystem. They help control insect populations and are a food source for other animals. Unfortunately, toads are facing many threats, including habitat loss, pollution, and disease. We can help protect them by taking the following actions:

- Avoid using pesticides and herbicides in your yard.
- Create a toad-friendly habitat in your yard, such as a log pile or a toad house.
- Do not feed toads.
- Do not touch or handle toads.
- Do not release toads into the wild.

For more information, please contact the Oklahoma Department of Wildlife Conservation at 1-800-352-2267.

NORMAN PARK

Bunker

A street scene featuring a sidewalk, a wooden fence, a brick wall, and a green street sign. The sidewalk is made of large, rectangular concrete slabs, some of which are cracked. To the left of the sidewalk is a grassy area and a road with parked cars. To the right is a tall wooden fence, a brick wall, and a large green bush. A green street sign with white text is mounted on two metal posts. The sign reads "MEAD WAY".
