

The image shows the ornate entrance of the Chemins de fer du Sud de la France. The central focus is a stone archway with a decorative keystone. Above the arch is a large, rectangular stone panel with the text "CHEMINS DE FER DU SUD DE LA FRANCE" in capital letters. The entire structure is highly decorative, featuring classical architectural elements like a pediment at the top, a Greek key frieze, and various sculptural ornaments. The scene is set against a clear blue sky, and a vintage-style street lamp is visible on the right side.
